Phil Town

INVESTMENTS

Successful Investing

With the exception of his brilliant trading successes in the stock market, you'll be hard pressed to find anything "Wall Street" about investment pro Phil Town. After saving the lives of a group of trustees from Outward Bound on the Colorado River rapids, one grateful client returned the favour by offering to guide Phil to investment success in the stock market. Phil then learned Warren Buffett's cardinal rule of trading - don't lose money. With an initial investment of 1000 dollars, Phil employed his mentor's lessons and built a multi-million dollar stock portfolio. Coupled with his New York Times best seller, "Rule #1", Phil Town has become America's freshest and most exciting authority on self-directed investing.

Loretta LaRoche

STRESS MANAGEMENT

Life Is Short - Wear Your Party Pants!

In her own lighthearted and enlightening workshop, Loretta will show us how we become crazed and humourless. Then she shows us how to lighten up and let go by reframing our thoughts, celebrating life and learning to use irreverence rather than irritability to get through life. We explore why we behave the way we often do, and how to increase our sense of optimism, joy and humour. Loretta's wit, wisdom and humor are a common-sense view of life that leave audiences inspired, motivated and roaring with laughter. Loretta shows how humor can benefit the health of an organization and its employees, and improve productivity in the workplace.

Jamie Clarke

THE POWER OF PASSION

Achieving your goals

Canadian Jamie Clarke's pursuit of Mount Everest is a definitive example of human perseverance. Clarke reached Everest's peak in 1999, after two previous attempts, and this is only the beginning of his adventures. In 1999, he successfully crossed the Arabian Desert, the most dangerous in the world, becoming the first Westerner to do so in 50 years. He has explored over 40 countries and is the author of two books on his adventures, Everest to Arabia and The Power of Passion. Clarke's dynamic speeches challenge audiences to think differently about failure by interpreting it as a worthy pursuit. With his magnetic personality and sense of humour, audiences are glued to his stories and learn about casting fears aside to take the pursuit of their goals to the next level.
