LEADING YOUR ORGANIZATION IN TIMES OF CHANGE

Lisa LING,

Journalist and former co-host of Barbara Walters' hit daytime talk show, "The View."

As the field correspondent for The Oprah Winfrey Show and contributor to ABCNews' Nightline and National Geographic's Explorer, Lisa Ling has reported from dozens of countries; covering stories about gang rape in the Congo, bride burning in India and the Lord's Resistance Army in Uganda, among other issues that are too often ignored. Ms. Ling got her start in journalism as a correspondent for Channel One News where she covered the civil war in Afghanistan at 21 years of age. She later went on to become a co-host of ABC's hit show The View, which won its first daytime Emmy during her time at the show. In 2010, Ms. Ling will have her own series on the new channel, OWN: the Oprah Winfrey Network.

WORLD AFFAIRS: THE SIGNIFICANCE OF GLOBAL EVENTS ON OUR FUTURE

Sean & Leigh Anne TUOHY

Behind The Blind Side: Overcoming Obstacles in the Face of Adversity

"When Sean Tuohy saw the new kid sitting in the high school gym, he saw a boy with nowhere to go but up. The question was how to take him there." — from The Blind Side. "Sean was an American success story: he had come from nothing and made himself rich," wrote Michael Lewis in The Blind Side, the best-selling book that inspired the major motion picture starring Golden Globe winner, Sandra Bullock and Tim McGraw. The Blind Side tells the story of Michael Oher, a homeless teenager turned first round draft pick NFL football player, with the support and love of an unlikely adoptive family: the Tuohys. Sean Tuohy, Michael's adoptive father, was a record-breaking basketball player before becoming a successful entrepreneur and NBA broadcaster. At the podium, Sean and Leigh Anne invite audiences to go behind-the-scenes of the Tuohy household with a heartwarming message: "In our house, we believe in miracles." Sharing personal anecdotes, Sean and Leigh Anne bring The Blind Side to life by asking us all to consider a simple question: how many other kids just like Michael Oher are falling through the cracks every day? And how can we make an impact big enough to change a broken system?

Phil TOWN, Successful Investing

With the exception of his brilliant trading successes in the stock market, you'll be hard pressed to find anything "Wall Street" about investment pro Phil Town. After saving the lives of a group of trustees from Outward Bound on the Colorado River rapids, one grateful client returned the favour by offering to guide Phil to investment success in the stock market. Phil then learned Warren Buffett's cardinal rule of trading - don't lose money. With an initial investment of 1000 dollars, Phil employed his mentor's lessons and built a multi-million dollar stock portfolio. Coupled with his New York Times best seller, "Rule #1", Phil Town has become America's freshest and most exciting authority on self-directed investing.
